

THE EASTER CAMP ARTS AND CRAFTS TEAM

WHAT?

We try hard to make Easter Camp look super cool every year with crazy decorations, signs and lights. We need help creating some of the stuff used at camp. Some things this year will be making giant piñatas, sewing buntings, making cup lights, painting chalk boards and signs.

WHO?

If you like being creative then please come help us! Most stuff requires little or no specialist skills so even if you just like the idea of making stuff then please still come!

WHY?

Easter Camp relies on hundreds of volunteers like yourself to make this awesome event possible, without you it could not happen. And at camp you can point out all the cool stuff you helped make.

WHERE?

We will be at the Easter Camp offices mostly, however some times closer to camp will be out at Spencer Park. More details once you sign up!

WHEN?

There are several evenings and weekends we will be getting arty. Get in touch with us the times you can make it.

Saturday 6th March 1.30-5pm

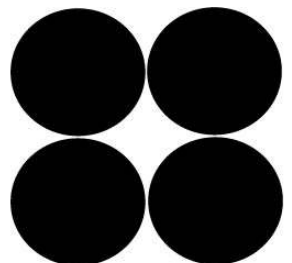

Tuesday 9 March 6-9pm

Wednesday 17th March 6-9pm

Sunday 28th March 12-6pm

So if your keen to come along email crafts@eastercamp.org.nz with times your available and any other questions and we will email you back confirming this with some more details.

Note: We do need to do some sewing so if you have a machine and know how to use it, please mention this!
